Resolution accepting and placing on file the Mental Health Coalition Data Sharing Project Report dated December 11, 2017.

- The Lake County Board created the Mental Health Coalition (Coalition) on November 8,

2016, to study and collaborate with stakeholders and service providers to affect community level goals of reducing and preventing mental, emotional, and behavioral health illness in Lake County.

- Lake County Chairman Aaron Lawlor and former Illinois Senator Susan Garrett led the community based initiative focused on data sharing and evidence-based practices to address gaps and develop a connected sustainable continuum of care on mental health.
- The Coalition consisted of treatment providers from various organizations, including representatives of the County Board, other current or former elected officials, local hospitals, health department, homeless and housing agencies, education and employment agencies, consumer and philanthropic organizations, law enforcement and justice
- The 18-member ad hoc committee met monthly to collaborate, leverage existing programs, collect and share data, and enhance and improve the many strong programs, providers, and services in the community.
- The Coalition developed consensus on a long-term vision, recommendations, and 2018 through 2019 go first strategies to enhance Behavioral Health Care coordination.
- The Coalition's recommendations include: 1) implementing a multi stage approach to data sharing near term results it deidentified, unduplicated aggregated data and that long term results in a centralized data warehouse with participant-level data; 2) implement data governance structures, standard operating procedures, security, and processes; 3) formalize change management structures; 4) foster relationships with the Illinois Medicaid Agency and Managed Care Organizations; 5) support learning opportunities for behavioral health service providers and an anti-stigma education campaign; 6) support expansion or shifts in the behavioral health services continuum, 7) influence federal and state law that support active sharing of information to coordinate care, while also safeguarding privacy; and 8) explore potential funding mechanisms to establish a financially sustainable data sharing program.
- The Coalition accepted and placed on file the Data Sharing Project Report with the eight recommendations and go first strategies; and formally recommends that the Lake County Board also accept and place on file this report.
- Following action by the Lake County Board, the goal will be to broadly share the findings of the report with the larger Lake County community and begin work on the go first strategies.

Joint resolution approving a Police Services Agreement between the Lake County Sheriff's Office (LCSO) and the Village of Deer Park (Deer Park) from January 1, 2018 to December 31, 2020, in the amount of \$3,919,326.20.

- The LCSO has provided police services to Deer Park for three years.
- Deer Park and the LCSO have agreed on terms to continue the police services contract for an additional three-year period from January 1, 2018 through December 31, 2020.
- The contract includes a continuation of services, with service level modifications, which includes three, eight and a half hour shifts per day for the residential areas (24 hours a day, seven days a week coverage) and one, eight and a half hour shift per day, from 2:30 p.m. to 11:00 p.m. for commercial areas (totaling 34 hours per day or 12,410 hours per year).
- The service level modification in the contract includes a decrease in one, eight and a half

hour shift in the commercial area.

- This modification equates to an estimated reduction in revenue of \$315,927.58 per year, for a total of \$979,831.56 over the three-year contract period; and a reduction in expense of \$858,727.94 over the three-year contract period. This equates to one full-time deputy position and associated operational costs. The position will be held in vacant during Fiscal Year (FY) 2018 and adjusted in the FY 2019 recommended budget.
- This contract includes an increase to reflect anticipated labor cost, such as the cost of 911 dispatch services into the pricing structure of the contract.
- On a quarterly basis, Deer Park will transfer revenue to the LCSO for all e-citation and prisoner review agency fees disbursed to Deer Park by the Circuit Court Clerk. The estimated revenue to be transferred is \$7,000 per year.
- The remaining hourly rate charges are consistent with recently approved LCSO police services contracts.

Joint resolution authorizing the contract and by-laws of the Lake County Major Crimes Task Force (Task Force).

- The Task Force, in place for over 20 years, recently completed an operational and structural review. As a result of that effort - which included the Lake County Municipalities, LCSO, Lake County State's Attorney and Illinois State Police - it was determined that the Task Force should continue through updated By-Laws and member contract.
- The Task Force, comprised of law enforcement agencies such as those mentioned above, will be utilized to complete investigations that require expertise that exceed the capacity and ability of individual member agencies.
- The updated By-Laws - which constitutes a member contract - require a three-year commitment that commences on April 1, 2018. The County Board is required to approve the LCSO's membership and authorize the contract, by-laws, and the creation of the Task Force.
- The Task Force, which requires participation by a minimum of 20 agencies, includes an Executive Committee which will be chaired by Sheriff Mark Curran, Jr. with Undersheriff Hare serving as LCSO's representative to the Task Force's Board of Directors (and Chief Petrillo as LCSO alternate).
- As a Task Force member, LCSO will be required to (a) agree to abide by Task Force By-Laws; (b) provide an annual financial payment; and (c) provide additional in-kind contributions when personnel and expert resources are required based on availability and need.
- The Task Force will purchase and provide police and management liability insurance for the Task Force and participating members.
- The Task Force recognizes that members do not acknowledge or accept responsibility for any claims due to property losses, claims in tort or in contract or other claims or losses made against any other members of the Task Force. Lake County Risk Management staff has participated in the Task Force Contract and By-Laws drafting process.

Joint resolution approving an Intergovernmental Agreement between the City of Lake Forest and the Lake County Planning, Building and Development department, to share inspection and development review services.

- The City of Lake Forest has a need for periodic "back-up" inspection and plan review staffing at foreseeable times throughout the year (i.e. during planned absences, etc.).
- The Planning, Building and Development Department has a need for inspection assistance in the southeast Lake County within small sections of isolated unincorporated territory. The County's direct inspection of these properties creates route inefficiencies given the significant distance of these properties to other larger unincorporated territories.
- Lake Forest and Lake County propose to enter an agreement to support each other's respective service needs when mutually convenient and practical.
- The cost of assistance provided to each community will be tracked and settled via payment on an annual basis.

Lake County Partners Report.

41 **18-0276**

Resolution authorizing a professional services agreement with Management Partners, Inc., Cincinnati, Ohio, (Management Partners) to provide facilitation services for the Lake County Government Reform Implementation Committee (Implementation Committee) in an amount not-to-exceed \$75,000.

- Lake County (County) executed a contract with Management Partners in May 2017 to facilitate and project manage the County Commission on Government Reform and Accountability (Government Reform and Accountability Commission). Management Partners completed its work for this special commission in January 2018.
- There is a need to contract with Management Partners to continue to perform work

through 2018 to support the Implementation Committee, formed following the completion of the Government Reform and Accountability Commission.

- Funding for this professional services agreement is provided through the General Fund, General County Contingencies for Consultants and will be managed by the County Administrator's Office.
- Pursuant to Article 6, Section 102 of the County's Purchasing Ordinance, the Purchasing Agent consulted with an ad hoc review group that approved a bid exemption on the basis of an existing long standing, successful relationship.

Resolution authorizing a professional services agreement with Lake County Partners, Inc. of Lincolnshire, Illinois, (LCP) to provide economic development products and services in Lake County (County) in an amount not to exceed \$387,000 with renewal options.

- The Lake County Board created LCP in 1998 to represent the County in matters pertaining to economic development.
- Section 55 of the Illinois Compiled Statutes (ILCS) 5/5-1005 (21), authorizes the County to appropriate and expend funds from the county treasury for economic development purposes, including the making of grants to any other governmental entity or commercial enterprise deemed necessary or desirable for the promotion of economic development in the county.
- Funding for the professional service agreement is provided in the Fiscal Year (FY) 2018 budget and is subject to annual budgetary appropriations and an evaluation of the effectiveness of LCP in achieving the County's economic development objectives.
- Pursuant to Article 6, Section 102 of the County's Purchasing Ordinance, the Purchasing Agent consulted with an ad hoc review group that approved a bid exemption on the basis of an existing long standing, successful relationship.

Resolution authorizing a contract with Ultimate Software, Weston, Florida, (Ultimate Software) for Payroll and Human Resources Information System (HRIS) services for Lake County (County) in the estimated amount of \$418,150, an owner-controlled contingency in the amount of \$40,000 and an emergency appropriation of \$458,150.

- An operational assessment of the Human Resource Department completed by Matrix Consulting in 2017 identified the need for a payroll and HRIS to reduce risk, minimize costs, and improve service delivery for the County.
- A Request for Proposal (RFP), extended to 39 vendors, resulted in seven sealed proposals. Five firms were selected for a demonstration and interview with an interdepartmental review team. Three firms were identified as finalists by an interdepartmental executive team. Based on the criteria set forth in the RFP, the executive team selected Ultimate Software as the most favorable proposal for the County.
- The initial implementation of the system will include modules for HR/Payroll, Time and

Attendance and Talent Acquisition. Other services include leasing and configuration of timeclocks and printing of checks and W-2 forms.

- Implementation costs are in an amount not to exceed \$418,150, with future Software as a Service (SaaS) cost for the following five years post the go-live date in the estimated amount of \$386,724.
- The contract also secures a negotiated cost for the potential future implementation of three additional modules of Talent Management, Learning Management and Compensation in the amount of \$60,750 that would increase the annual SaaS cost by \$163,620. Any future phase implementing these modules would return for County Board funding and approval.
- An additional \$40,000 of funding, recommended for an owner-controlled contingency, combined with an implementation cost of \$418,150, results in an emergency appropriation request in the amount of \$458,150 from Fund 510 for this contract.
- The implement of the HRIS project will be managed in conjunction with an effort to standardize county-wide project management for large and complex projects. This effort, modeled on project management best practices, includes a clearly identified project governance structure; defined project timelines, milestones, communication plan and escalation path; contract management and reporting requirements.

Resolution approving and executing a Real Estate Property Tax Abatement Agreement with Sheridan Crossing Development JV LLC.

- The City of North Chicago (City) has an established Tax Increment Financing (TIF) district that includes land wholly owned by the City.
- No development has occurred since the TIF was established.
- In order to foster economic development, the City desires to dissolve the existing TIF and transfer the property to a private developer.
- As part of this effort, the City is requesting all relevant taxing bodies to abate the property taxes that would otherwise continue to remain within the TIF district. This abatement would be set at 90 percent through 2031, and then phased out over five years, with the abatement ending in 2036.
- Based on financial data provided by the City, Lake County staff believe that this abatement will result in a longer term financial benefit to Lake County.
- Lake County has the authority to abate real estate property taxes pursuant to Section 200/18-170 of the Illinois Property Tax Code, as amended (35 ILCS 200/18-170).
- Lake County believes that it is in the best interest of its residents and taxpayers to approve this agreement in partnership with the City.
