Joint resolution approving an update to the Neighborhood Stabilization Program (NSP) Round 1 Substantial Amendment.

- The NSP Round 1 Substantial Amendment was last revised in March 2017 to fund planned new construction by Lake County Residential Development Corporation (LCRDC) of four units of veterans' housing at 1235 Victoria in North Chicago.
- At that time, the Housing and Community Development Commission (HCDC) and the Lake County Board approved cessation of acquisition/rehab/resale programs funded by NSP in order to meet United States Housing and Urban Development (HUD) NSP closeout requirements.
- This proposed 2018 revision to the NSP1 Substantial Amendment reallocates \$153,444.79 of unspent acquisition/rehab/resale programs plus other unallocated funds to the development of affordable rental units for families at or below 50 percent of area median income to meet the low-income 25 percent investment threshold required by NSP.
- In addition to the veterans' housing, LCRDC will rehabilitate four foreclosed townhomes on Georgetown Lane in Waukegan with NSP1 investment of \$427,555.12.
- In a concerted effort to improve the appearance of its single-family residential neighborhoods, the City of North Chicago has enforced several building code requirements that increased the 1235 Victoria veterans housing project budget by \$165,018.80, resulting in an NSP1 investment totaling \$340,048. This investment cost is reasonable for four new units.
- After January 1, 2019, both LCRDC affordable rental housing projects will move forward under the CPAH name per the merger plans of AHC, CPAH and LCRDC.

Resolution authorizing Lake County to enter into a Memorandum of Understanding with the International Union of Operating Engineers, Local 150, that will grant employees who are assigned to operate the recently acquired Bio Solid Thermo Dryer (Dryer) a \$1 shift differential.

- The purpose of adopting the Lake County Redistricting Framework and establishing the IACR is to promote fairness and independence of partisan political considerations in the apportionment process, as well as provide transparency, and allow for public participation.

Ordinance amending Chapter 31 County Organizations of the Lake County Code of Ordinances - Emergency Telephone System Board (ETSB).

- The ETSB Ordinance establishes the powers and duties of the ETSB for the Lake County 9-1-1 Service Area.
- Since the last amendment of the ETSB Ordinance in May of 1996 expanding the ETSB's membership, the landscape has changed such that it is necessary to amend the board structure and powers to ensure efficient and effective operations.
- Research and surveys were conducted by staff over several months including a review of ordinances from comparable jurisdictions and soliciting feedback from current ETSB members and member agencies.
- Based on the results of such research and surveys, five primary revisions to the ETSB Ordinance are recommended:
  1. reduce the number of board members from 17 to nine to include two representatives each from Public Safety Answering Points, Police organizations, Fire organizations, Lake County and one citizen-at-large;
  2. stagger terms of office for members - The term of any person appointed will be two years; however, initially, five members will be appointed for one-year terms. The five initial one-year appointments shall be the two Lake County Representatives, the Citizen-at-Large, one of the Police Representatives, and one of the Fire Representatives;
  3. define process for recommendation and consideration of nominations;
  4. clarifies that the ETSB budget submittal and procurement activities follow Purchasing Ordinance, Lake County Budget Policies, and personnel policies; and
  5. update participating communities based on current Lake County 9-1-1 Service Area.
- The amendments were unanimously recommended by the ETSB at their meeting on November 6, 2018.
- In conjunction with County Board approval of ETSB Ordinance amendments, recommended appointments and/or reappointments will be made at the November 13, 2018 County Board Meeting.
