**VII. Montgomery Board of Health Resolution 2019-09 In Support of Later School Start Times To Improve Adolescent Health**

**Whereas**, Evidence shows that lack of sleep has significant deleterious effects on adolescents, and

**Whereas**, Adolescents have a demonstrated shift in circadian rhythm by 2-3 hours secondary to melatonin release and cannot fall asleep easily before 10:30-11pm, and

**Whereas**, sleep deprivation impacts academic performance, mental health, and safety, and

**Whereas**, a major cause of lack of sleep is early school start times, and

**Whereas**, Recommendations from the American Academy of Pediatrics, the Centers for Disease Control, and the County Health Rankings strategies all agree that school start times for adolescents should not begin before 8:30am,

**Now, therefore, be it resolved** by the Board of Health of the Township of Montgomery, this 10<sup>th</sup> day of April 2019, that, based on evidence and expert policy statements, the Board hereby agrees that early school start times, before 8:30am for adolescents, is deleterious to their health and well-being.

The Board further recommends that the Board of Education strongly consider this and actively investigate any and all options to change school start times for adolescents to 8:30am or later.
