ATLANTIC BEACH CITY COMMISSION PRIORITIES

2018 PRIORITIES <i>(Established January 12, 2018)</i>	STATUS
ENVIRONMENTAL LEADERSHIP	
A Codes/Land/Permitting and Quality of Life initiative to renew land development regulations, including the maximum impervious surface ratio, to ensure that new development is suited in scale and character to the existing neighborhood. <i>Accomplished via staff research, Community Development Board Review, Commission decision</i>	Complete: Impervious surface ratio; Land Development Regulations; Comprehensive Plan Update
MAYPORT ROAD CORRIDOR IMPROVEMENTS	
A Public Safety, Quality of Life and Revitalization initiative to improve safety and the area's character, including reducing the speed limit, traffic engineering enhancements, and streetscaping. <i>Accomplished via FDOT Decisions/Funding, Commission Lobbying/Funding, Staff planning/implementation</i>	Complete: Mayport Road Visioning Implementation Plan; Speed Limit reduced to 40 mph
PARKS MASTER PLAN	
A Quality of Life and Environmental initiative planning for and encouraging recreation, conservation and community health opportunities. <i>Accomplished via Commission Funding; Staff implementation</i>	In Process: Currently being drafted
STORMWATER MASTER PLAN	
An infrastructure initiative with specific focus on resolving Sherman and Hopkins Creeks choke points. <i>Accomplished via Commission funding; Staff implementation</i>	Completed: Completed in 2019
ENVIRONMENTAL STEWARDSHIP	
An environmental initiative demonstrating the COAB's commitment to being a sustainable community through the Environmental Stewardship Committee's work, dune protection and restoration efforts, and the pursuit of Tree City USA and LEED for Cities certification. <i>Accomplished via Committee work, Commission and City of Jacksonville funding, and Staff implementation</i>	Complete: Tree City USA designation; tree plantings; and outreach/education

ATLANTIC BEACH CITY COMMISSION PRIORITIES

2019 PRIORITIES <i>(Established January 9, 2019)</i>	STATUS
ENVIRONMENTAL LEADERSHIP	
An Environmental initiative demonstrating the COAB's commitment to being a sustainable, environmentally responsible and healthier community. This initiative will be accomplished via COAB becoming a LEED-certified city; promoting the three Rs (reduce, reuse, recycle); COAB maintaining its Tree City USA designation; tree planting and preserving the tree canopy; engaging youth in environmental activities; and public education. <i>Accomplished via Public input; Committee work; Partnerships; Commission funding, policy and/or legislation; and Staff planning/implentation</i>	Complete: LEED Silver-certified community certification; Tree City USA designation; Arbor Day event; education and outreach initiatives under way; about 200 trees planted in 2019; ESC developed an outreach subcommittee; added recycle containters and beach litter baskets to beach accesses; Heritage Tree designated in a city park; parks master planning initiated
FLOOD AND STORM RESILIENCE	
An Infrastructure and Planning Resiliency initiative to manage and reduce urban risks. This initiative is accomplishable via flood mitigation (with specific focus on Aquatic Drive/Hopkins Creek); developing a stormwater master plan capital improvement program; enforcement of onsitestormwater retention requirements; and undergoing a coastal vulnerability and adaptation assessment. <i>Accomplished via Public input; Commission, State and Federal funding; and Staff planning/implementation</i>	Complete: Storm Water Master Plan/Stormwater Capital Improvement Plan; Sea Level Rise Vulnerability Assessment; Adaptation Plan grant application submitted; revised impervious surface ratio and included restrictive covenants for enforcements; 60% design for phase I stormwater improvements in Aquatic Drive (\$1.5M federal and \$300K state funding); North Seminole Road drainage improvements; ditch cleaning in Marsh Oaks In Process: Discussions with Neptune Beach on Hopkins Creek improvements; South Seminole Road and Donner Road improvements being engineered
MAYPORT ROAD CORRIDOR IMPROVEMENTS	
A Quality of Life and Revitalization initiative to improve safety, promote small business development, and create a town center-like sense of place. These improvements will be accomplished via developing an East Coast Greenway activation plan to provide safe, convenient and efficient automobile, bicycle and pedestrian travel ways along the corridor; and instituting facade and public art grant programs. <i>Accomplished via Public input; Partnerships; Commission lobbying/funding; and Staff planning/implementation</i>	Complete: Mayport Road Visioning Implementation Plan; speed limit reduced to 40 mph; public art and façade improvement programs established In Process: signalization and crosswalk enhancements; East Coast Greenway
BEACH-TO-MARSH PARKS MASTER PLAN	

ATLANTIC BEACH CITY COMMISSION PRIORITIES

<p>A Quality of Life, Recreation, Environmental and Education initiative to establish a strategy to create a sustainable and interconnected communitywide system of parks, recreation facilities, programs and services that promote recreation, health, access and environmental conservation as integral elements of the community. <i>Accomplished via Public input; Staff, Commission and Environmental Stewardship Committee planning; Community engagement; Commission funding; and Staff planning/implementation</i></p>	<p>In Process: First draft will be available for Commission and public input in spring 2020.</p>
<p>NEIGHBORHOOD IMPROVEMENT AND COMMUNITY IDENTITY</p>	
<p>A Land Use, Quality of Life and Branding/Signage initiative to improve neighborhoods and public spaces, and advance community identity and pride. This initiative will be accomplished by adopting new land development regulations, updating the comprehensive plan, and undertaking a community identity program that focuses on improving public spaces with landscaping and viewer-friendly and aesthetically pleasing signage. Vital input is expected from residents, the Community Development Board, and the Environmental Stewardship and Cultural Arts & Recreation Advisory Committees. <i>Accomplished via Public input, Committee, Staff and Commission planning; Partnerships; Commission funding; and Staff planning/implementation</i></p>	<p>Complete: Update of land use regulations; update of comprehensive plan; multiple tree plantings; enhancements at Dutton Island and Tideviews preserves, and at Donner, Jordan, Veterans, Rose, Howell and Bull parks Not Complete: Neighborhood/community identity and signage In Process: Sign code update and tree mitigation code update</p>
<p>PARKING AND MOBILITY</p>	
<p>A Public Safety and Quality of Life initiative to improve parking and provide safe, convenient, efficient and accessible automobile, bicycle and pedestrian travel ways. This initiative will be accomplished via identifying and adequately marking public parking spaces throughout the community; instituting a paid parking system in beaches town center and at some beach accesses; installing pedestrian safety devices; and adding sidewalks. <i>Accomplished via Public input; Staff and Commission planning; Commission funding; and Staff planning/implementation</i></p>	<p>Complete: Launch of paid parking program; Sherry-Seminole Safe Routes to School multi-use path; parking plan for Waters Park; sidewalk improvements on Levy Road and Orchid Street; Veterans and Jordan park walkways In Process: Mixed-use path on Seminole Road; installing multiple lighted crosswalk signs; sidewalk on Dutton Island Road; update to comprehensive plan on multimodal transportation</p>
