The airports listed in Exhibit A are eligible for award of these grant funds and the department seeks approval of the awards.*

5. **Public Transportation**
  - a. **Various Counties** - Award federal Job Access Reverse Commute and New Freedom funds, state funds, and transportation development credits to various transit agencies (MO)

  - b. **Final Adoption**
    - (1) **Chapter 26 - Regional Mobility Authorities (MO)**

Amendments to §26.2, Definitions (General Provisions), and new §26.36, Projects of Another Governmental Entity (Approval of a Transportation Project)

*Senate Bill 1489, 83rd Legislature, Regular Session, 2013, expanded the definition of a transportation project a regional mobility authority (RMA) is authorized to acquire, plan, design, construct, maintain, repair, or operate, and authorized an RMA to enter into an agreement under which the RMA may acquire, plan, design, construct, maintain, repair, or operate a transportation project on behalf of another governmental entity in this state. Except as for a transportation project described in Transportation Code, §370.033(f)(1) and (2), the department must approve an RMA's acquisition, planning, design, construction, maintenance, repair, or operation of a transportation project on behalf of another governmental entity. *The proposed amendments provide for additional methods of awarding leases; lease advertisement on the department website; and a centralized, internet based, lease request submission procedure. These amendments will expand the lease advertisement notice time, allow viewing of potential lease sites by a larger audience, allow the department to pair the appropriate award method with a property asset and provide a centralized and efficient procedure.*
