Audited financial statements meeting the requirements of the Indenture have been prepared for FY 2014. The financial statements for FY 2013 are provided for comparative purposes.

- (2) Accept the audited financial statements of the Texas Mobility Fund (TMF) as required by the governing master resolution (MO)

The Master Resolution governing the issuance of TMF bonds requires the preparation of an audited financial report of the TMF for each fiscal year. Audited financial statements have been prepared for FY 2014.

The department has established a separate fund to account for and track projects and project costs funded with the SH 121 payments. This minute order authorizes the funding of additional projects costs with those payments. The project costs to be funded were selected through a cooperative process with the Regional Transportation Council.

14. **Routine Minute Orders and Reports (continued)**

f. **Designation of Access Control**

Angelina County - Loop 287, approximately 350 feet west of Business US 59 - Consider the designation of a location on the highway at which access will be permitted to the abutting property (MO)

The designation of a 27.93-foot break in the control-of-access line will allow the abutting landowner to open a proposed driveway location for access to the eastbound frontage road. The district has determined that access may be permitted at the designated location.
